

#17-17470

To whom it may concern,

I received a notice for a motion for dismissal of my ch13 bk #17-17470. I am responding to the motion and would like my date in court on February 22, 2018. I was late for my meeting of creditors and would request to have it on that date. My trustee payments are caught up and included with this response are copies of money orders and cashiers check number to verify payments. Thank you.
